## Clinton County Vaccination Provider Resources

Below is a list of Providers in Clinton County that will be offering the COVID vaccine once they are allocated doses. Some of these providers are not yet vaccinating in Clinton County. At this time the allocations we receive are quite small but the demand is great. We understand your frustration but do ask for your patience. These providers have different processes for scheduling vaccinations and they are working to fine tune those processes. We will keep you updated as more providers are able to vaccinate and more vaccine becomes available. Thank you.

### HyVee

<https://www.hy-vee.com/my-pharmacy/covid-vaccine>

Sign up for email notifications...they also list at the bottom of this page who is eligible for the vaccine.

### Jewel Osco

Link to make a vaccine appointment

<https://www.mhealthappointments.com/covidappt.>
