Communications Manager
- V. Discussion/Possible Action regarding staying with
adopted radio improvement plan or joining the Iowa
State Interoperable Communications Radio System
- VI. Adjournment

Minutes from E911 Board meeting
09/21/16

Chairman Staszewski called the meeting to order at 5:17 PM

Roll Call was called and a quorum was present. Those present were: Calamus, Camanche, Charlotte, Clinton, Clinton County, Delmar, DeWitt, Grand Mound, Lost Nation, Low Moor, Toronto, Welton, Wheatland, Emergency Management Coordinator Chance Kness, Communications Manager Eric Dau, and Sheriff Rick Lincoln. Calamus arrived at 5:25 PM.

Not Present: Andover, Goose Lake

The minutes of the previous meeting were approved. Motion/Second –Wheatland/DeWitt. All ayes.

Dau introduced Brent Vogel as the Assistant Communications Manager.

Dau presented information on the ISICS platform vs. current radio improvement plan. The ISICS will offer current technology but the cost is quite high. The cost for this system is \$3.5 million. Motorola is the providers. If this project would be approved by the 911 board, the communications commission would need to become involved to assist with the cost. This system would be able to guarantee 95% coverage for our county and would allow law enforcement and fire personnel to communicate statewide with other counties or agencies that have the system. The system proposed would include capabilities for personnel to utilize mobile communication in addition to the radios in the vehicles. There are no surrounding counties that participate in this system at this time. Scott County has been investigating this system. Dau noted that Clinton County would still need to upgrade the VHF system even if we go with the new system. There was no action taken on this information.

Motion/Second to adjourn the meeting at 5:40 PM – Wheatland/Camanche. All Ayes.

Respectfully submitted,
Peggy Sellnau, Charlotte
Secretary
